

A vibrant display of fireworks exploding in the night sky. The left side features several large, starburst-like fireworks in bright blue and cyan. The right side is dominated by a large, intense red firework that has just exploded, with long, thin streaks of light trailing upwards. Below the red firework, there are smaller bursts of orange and yellow light. The background is a deep, dark blue/black, making the colors of the fireworks stand out sharply.

**HAPPY
FOURTH
OF JULY!**
